

## **Corporate Attorney**

METKA-EGN Limited is a UK-based company providing turnkey EPC solutions for medium- to large-scale solar PV projects.

This is a fantastic opportunity for ambitious, motivated and personable Corporate Attorney to join our team.

### **Job Description**

We are looking for a specialized Corporate Attorney to serve as an in-house counsel and handle all complex legal matters and projects. You will ensure the legality of commercial transactions and advise our company on legal rights and duties.

### **Requirements**

Proven comparable law firm or Corporate experience for at least four years.

Proven background on corporate law, Civil & Commercial, knowledge of England & Wales Law (contract law, tax law, accounting, securities law, bankruptcy, intellectual property rights, licensing).

Working Experience in UK or in International firm will be an asset.

Working Experience in Construction Company will be a strong asset.

Excellent negotiation and communications skills.

Administrative and managerial skills.

Analytical ability and strong attention to detail.

Computer skills.

Current license to practice law.

BS, MSc degree in Law

Flexibility to travel in various locations within Europe, USA, Arab States, Asia.

### **Responsibilities**

Evaluation & Cooperation with Group's Chief Legal Officer regarding all corporate legal processes (e.g. intellectual property, financial/securities offerings, compliance issues, transactions, agreements, lawsuits, patents).

Develop company policy and position on legal issues.

Research, anticipate and guard company against legal risks.

Guide managers and ensure compliance with rules and regulations.

Structure, draft and review reports and other legal documents.

Represent company in legal proceedings (administrative boards, court trials etc.).

Draft and administer all contracts and more specifically EPC, Suppliers and Subcontractors Contracts.

Negotiate deals and attend company meetings.
